SUMMARY OF THE REASONS FOR DECISION:

The computer image file entitled *EatMe 05b*, also known as *Photos\Hoskioki\EatMe\EatMe 05b*, is classified as:
Objectionable.

The computer image file promotes and supports the exploitation of children for sexual purposes, deeming the publication objectionable. The image explicitly depicts two girls engaging in sexual activity with each other in a manner designed to titillate the viewer.

The publication is a computer image file of a colour photograph. The image is accessed from a Jaz disk formatted for an AppleMac computer. The title is typed across the top of the screen.

The photograph depicts a girl, who appears to be about ten to twelve years old, lying on her back on a couch with her legs apart and her knees bent towards her chest. A second girl, who is visible from her shoulders up, is performing cunnilingus on her. The genitals of the first girl are clearly visible. Both girls are wearing T-shirts.

The publication has been found to promote and support an activity listed in s3(2) of the Films, Videos, and Publications Classification Act 1993. This provision overrides s14 of the New Zealand Bill of Rights Act 1990 (NZBR Act) because it is a deeming provision which cannot be given a meaning that is consistent with the rights and freedoms set out in that section of the NZBR Act.
